

【5】 Connect with others through the discussion room

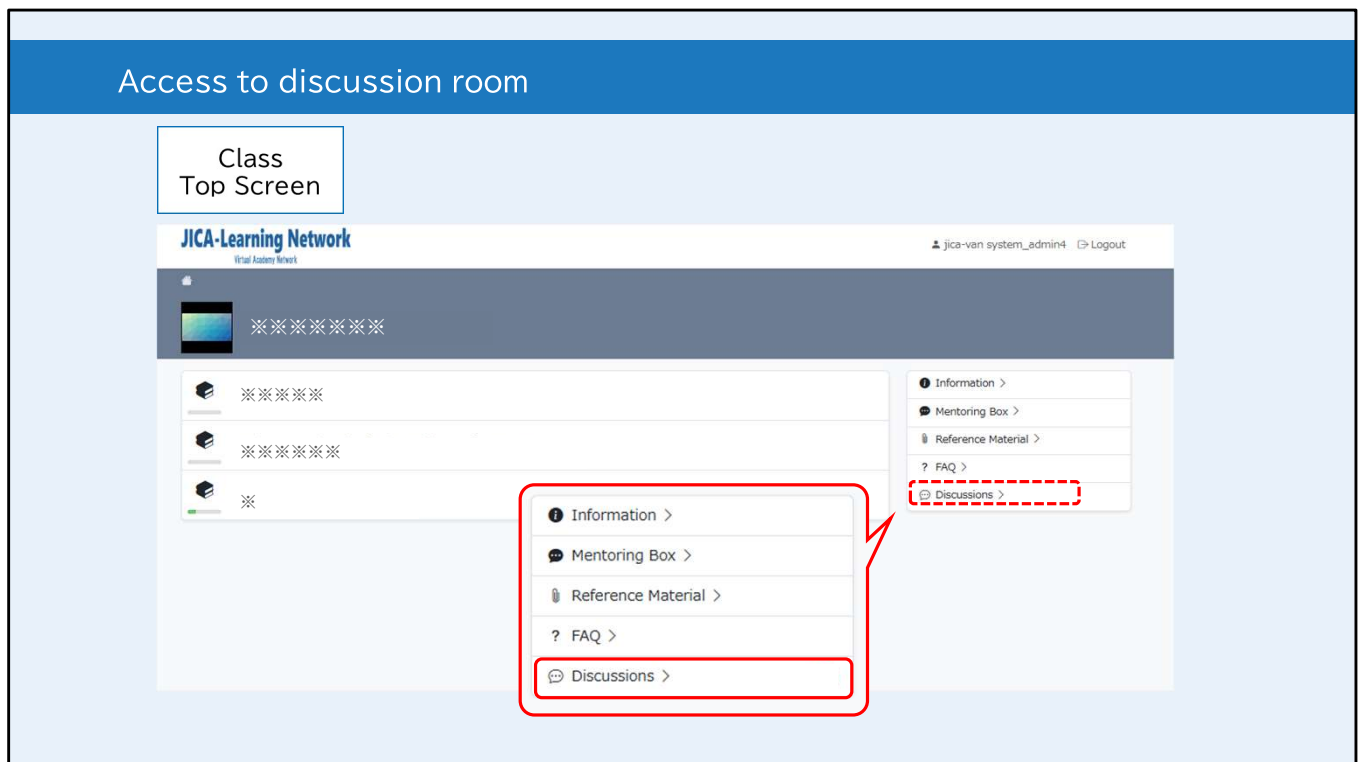

You can exchange opinions on the Learning Network using the discussion function.

About discussion room

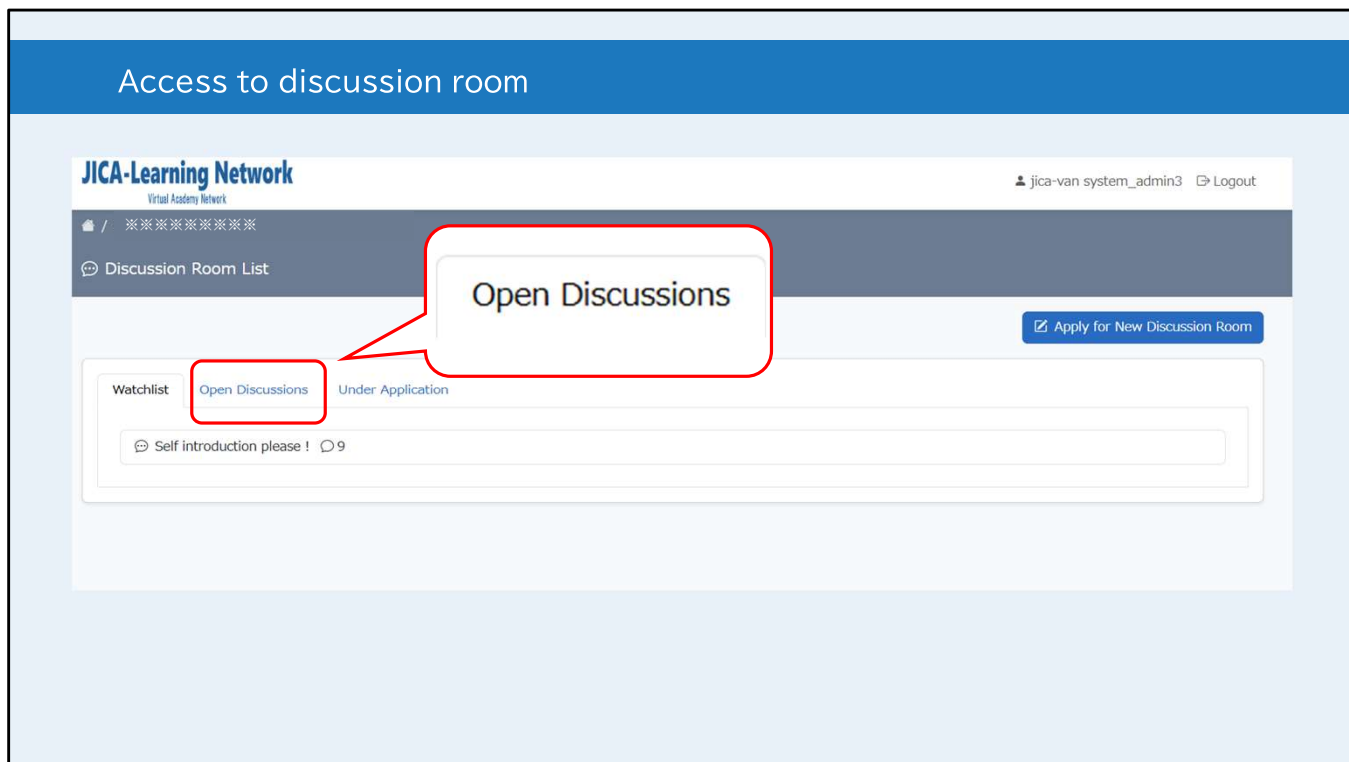

In the Discussion Room, learners can post photos and exchange opinions.

Discussion rooms are created for each topic, so you can set up notifications to receive emails about new posts in discussion rooms that interest you.

Let's check out how to use it.

Click **"Discussion"** in the menu on the right side of the relevant class.

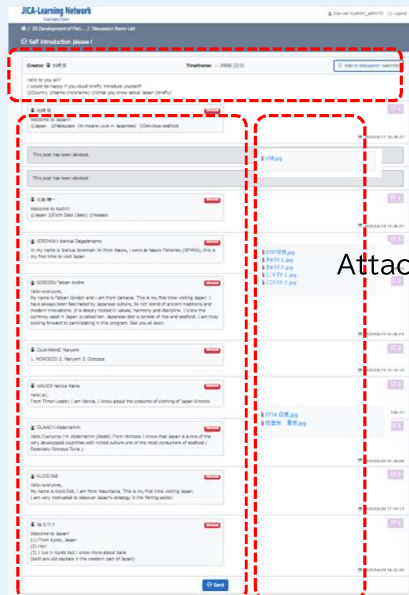

When you open the “**Open Discussions**” tab, you’ll see a list of all currently available discussion rooms.

By selecting a room that interests you, you can view the conversations that have taken place within it.

ファイルの選択 ファイルが選択されていません

The file extension of an attachment should be one of the following:
.docx / .xlsx / .pptx / .pdf / .jpg / .png / .mp4 / .mp3
However, to add an Office document, it must be set up in a discussion room.
Keep the size of an attachment within 3 MB.

Cancel Send

Enter your comments, select the file if you have one, and click the **“Send”** button.

Open a new discussion room

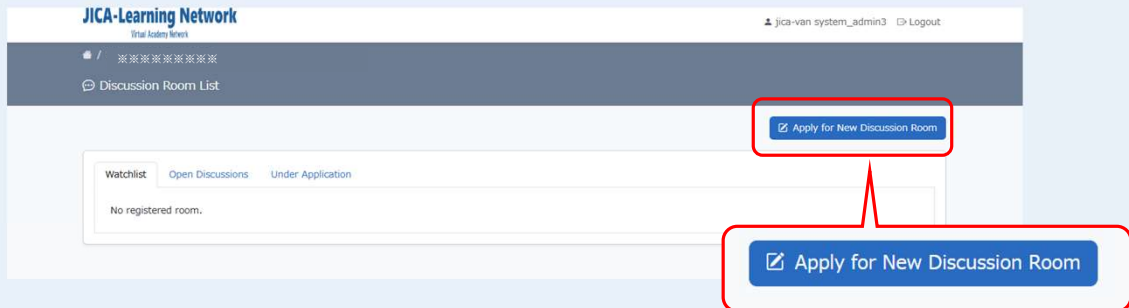

The image contains two screenshots from the JICA-Learning Network interface. The left screenshot shows a 'Discussion Room List' page with a table of discussion rooms. A red box highlights the 'Add to discussion watchlist' button in the top right corner of the table. Another red box highlights the 'Add to discussion watchlist' button in the bottom right corner of the table. The right screenshot shows the 'Discussion Room List' page with a 'Watchlist' tab selected. A red box highlights the 'Remove from discussion watchlist' button in the top right corner of the watchlist section. Another red box highlights the 'Remove from discussion watchlist' button in the bottom right corner of the watchlist section.

If you add a discussion room for a topic you are interested in to your “**watchlist**”, you will receive an email when new comments are posted.

Additionally, they will also appear in the “**Watchlist**” section of the Discussion Room list.

You can remove a discussion room from your watchlist by clicking “**Remove from discussion watchlist**”.

Open a new discussion room

Your request will be processed after administrator approval.

You can also apply to create a new discussion room for a topic by clicking the **“Apply for New Discussion Room”** button.

Your request will be processed after administrator approval.

If you have any questions

The image illustrates the process of accessing the JICA-Learning Network FAQ chatbot. It shows three steps: 1. The login page with the 'JICA-Learning Network FAQ' button highlighted. 2. The chatbot interface with a red box around the chat area. 3. The chatbot's response to a question, with a red box around the input field at the bottom labeled 'Write your message here'.

Let's enjoy JICA-Learning Network!

If you have any questions about how to use the system, you can use the chatbot.

Click on “**JICA-Learning Network FAQ**” at the bottom right of the login page to access the chatbot.

The chatbot can also respond to questions in languages other than Japanese and English.

We hope you enjoy using the JICA-Learning Network.
