

メール作成時の留意事項

メール作成画面

The screenshot shows an email creation form with the following fields and callouts:

- ①** メールタイトル * (Email Title): A text input field with a placeholder "メールタイトルを入力".
- ②** メール本文 * (Email Body): A large text area with a placeholder "メール本文を入力".
- ③** 送信元名義 * (Sender Name): A text input field containing "jica-van system_admin4".
- ④** 送信元メールアドレス * (Sender Email Address): A text input field containing "jica-van@gmail.com".

Below the form, there is a "氏名" (Name) dropdown menu and a list of email addresses, including "jica-van system_admin3 <jicavan_system_admin3>".

送信元名義、送信元メールアドレスは必ず変更してください

①メールタイトル:最大100文字

②メール本文:最大4000文字

Newsletter: JICA International Intellectual Circulation Program for Space Development
JICA International Intellectual Circulation Program for Space Development (IICP) is a talent development program to promote the use of space technology for sustainable development. This newsletter is to widely publicize the efforts of scholars and alumni, strengthen connections between scholars, and encourage more applicants to apply for the IICR
